SUMMARY

As a resourceful front-end developer with a passion for technology and a dedication to continuous growth, I am poised to make a significant impact in any project I undertake. With a solid foundation in JavaScript, HTML, and CSS, coupled with a commitment to excellence and innovation, I am ready to bring value to your team and help achieve success in our endeavors.

EXPERIENCE

Front-end developer portfolio

12/2023 - Present

[Link to project ↗](#)

This portfolio project is a showcase of my skills in front-end development, designed to be responsive and compatible with all screen sizes.

Technologies used: HTML, CSS, JavaScript

- Demonstrate proficiency in creating responsive and visually appealing web experiences

Hello Food

11/2023 - Present

[Link to project ↗](#)

Search for your desired dish and proceed to order it. Wait for it in the comfort of your home and we will deliver it to your doorstep.

Technologies used: HTML, CSS, Bootstrap 5

- Successful attempt at implementing Bootstrap 5 skills into development

Notary App

10/2023 - Present

[Link to project ↗](#)

Using this tool, a user can explore how frequently individual words are repeated in their favorite book.

Technologies used: HTML, Bootstrap 5, JavaScript

- Manipulation of arrays

Recipe App

09/2023 - Present

[Link to project ↗](#)

Here's my initial version of a Recipe App—it may not have a modern look, but I take pride in its functionality.

Technologies used: HTML, CSS, JavaScript

- API manipulation
- Dynamically creating DOM with JavaScript

Front-End Developer Apprentice

02/2023 - Present

[My front-end developer Portfolio ↗](#)

- Acted as a self-taught apprentice, developing foundational skills in front-end web development
- Completed hands-on projects that showcase proficiency in HTML, CSS, and JavaScript
- Independently learned and applied responsive design principles, ensuring optimal user experiences on various devices
- Utilized Git for version control, demonstrating ability to manage codebase changes and collaboration

Cleaner

09/2021 - Present

Prema GmbH, DE

- Consistently delivered high-quality cleaning services, receiving positive feedback from clients and achieving a 15% improvement in overall customer satisfaction
- Demonstrated a strong sense of responsibility by overseeing and maintaining the cleanliness of buildings and schools, ensuring a safe and hygienic environment for occupants
- Actively addressed and resolved cleaning-related issues reported by clients and staff, showcasing a proactive approach to problem-solving and contributing to a 25% reduction in reported concerns
