EXPERIENCE

Frontend developer portfolio

12/2023 - Present

Antonija Zrno - Frontend developer Portfolio ↗

Not having a digital portfolio today is complete nonsense. That's why I've created this one. Having all the information in one place is practical and saves time. It showcases projects, skills and even allows developers to be contacted through the website.

- Technologies Used: HTML, CSS, JavaScript
- Focus on responsive design and an All-In-One concept

Hello Food!

11/2023 - Present

Hello Food live ↗

I wanted to create a brilliant Food Delivery Website while polishing my skills in Bootstrap 5.

- Technologies used: HTML, CSS, Bootstrap 5
- Focus on integration of Bootstrap 5 skills for an appealing and user-friendly design

Recipe App

09/2023 - Present

Click to try Recipe App ↗

Development of a recipe app with extensive features such as search, favorites, detailed recipes, and display of YouTube videos.

- Technologies used: HTML, CSS, JavaScript
- Focus on API manipulation, dynamic DOM element creation, and functionality

Frontend Developer Apprentice

02/2023 - Present

- As a self-learning apprentice, I have developed foundational skills in frontend web development
- Completed hands-on projects that showcase proficiency in HTML, CSS, and JavaScript
- Independently learned and applied responsive design principles, ensuring optimal user experiences on various devices
- Utilized Git for version control to manage code changes and collaboration

Production employee

09/2021 - Present

Schrempp electronic GmbH, DE ↗

- Precise assembly of LED lamps to ensure high quality standards and to guarantee first-class end product quality
- Conducting quality tests on LED lamps before packaging to maintain integrity in the market with customers and ensure a maximum level of customer satisfaction
- Independent and secure packaging of products to avoid damages during transportation and increase customer satisfaction, as well as reduce costs

SKILLS

JavaScript

React.js

HTML/CSS

Bootstrap 5

Responsive Design

Version Control (Git)

NPM - Node package manager
